

2008 Stanford Achievement Test

(Results reported as percentiles)

Consistent with prior years, Westminister Academy scored 31% above the national average, and 16% above the Mississippi private school average, on the Stanford Achievement Test.

- WA's score (81st percentile) is better than 80% of students nationwide.
- WA's scores have **grade equivalents** consistently above grade level.

The Stanford is a national standardized test of academic skills (reading, math, science, social science, language, spelling, listening, study skills).

It is not a state test based on the daily curriculum.
